Volunteer as a mentor

Enhance Language Training (ELT) for Internationally Trained Engineers

***Can you commit four hours a
month for up to four months?***

Mentoring at Skills for Change within the "**ELT program**" assists internationally trained professionals improve their language skills, increase their knowledge of Canadian workplace culture and job searching skills.

Mentoring is a chance to:

- Hone your leadership skills
- Increase your cross cultural awareness
- Make a difference in someone's life
- Learn about your field from an international perspective
